01 Mar 2016 - 29 Mar 2016

There will be beautiful vintage rugs and carpets on show at Ibis Gallery between 12th February and 25th March 2015, from the collection of Deryl Barlow, local expert and dealer. Some will be for sale.

Deryl retired to Montagu after a career in science and teaching. Always drawn to things of the Desert - religion, hunting dogs, horses and carpets - she is currently studying Classical Islam. She is a rich and enthusiastic source of information on carpets and things Islamic.
